# Monday 13-03-2023

- Italian student

- on monday we italians left Catania by plane at 10:45 and landed in Madrid at 14:00 and after that we made a 4 hour journey by bus to reach Aguilar. We arrived at 19:30 at the bus stop where all the Spanish guys were waiting for us.
- after getting to know a bit with my correspondent we all went together to a bar to talk and get to know each other.
- after the bar I went to my correspondent's house and had dinner with her family

- Spanish student

- On Monday we started the day like any other, we went to class and later we were getting ready to receive all the kids who came from Italy, at 7 they arrived and then we went to show them a bar that we really like to go to.
- We had a pretty good time, and we're getting to know each other.
- Later my Italian and I went home because she was tired from the long trip, I showed her my house and what was going to be her room, then my parents and we had dinner and went to sleep.

# Tuesday 14- 03-2023

## ▪ Italian student

- Tuesday we went to school at 8:30 and visited the monastery, it is very special. Afterwards we all had lunch together at school and had a lot of fun.
- After lunch we listened to a discussion about Charles V and did a test on what we had heard and one on Spanish culture.
- after we went to get some clothes for a show of charles v which took place on thursday
- in the evening we all went out together and had dinner at home

## ▪ Spanish student

- On Tuesday we had a normal class all day while they participated in different activities, then we all ate together, it was very cool, we also had a very interesting talk about Carlos V, and then a test on what was learned in the talk, also one of Spanish culture. Later we went to pick up some costumes from the time of Carlos V for Thursday.

## 16-03-2023

- Italian student

- Thursday we went to school at 8:30 and we participated in an escape room on carlo V. It was a lot of fun and my group won.
- Afterwards we went to get clothes for the Charles V parade and I was dressed as a peasant girl.
- At 13:30 we left for Palencia and had lunch in a restaurant. After lunch we visited a church and at 19:00 we returned to Aguilar.
- In the evening we all went out together and had a nice time

- Spanish student

- Thursday was quite a fun day, we were teaching normal classes for the first few hours, later they told us that we had to get ready and put on the Carlos V costumes, we had a parade in which the whole institute saw us, then they left. They went to visit Palencia and when we looked for them we all went to have a drink together.
